**PRESERVE EDUCATE SUSTAIN**

Help us raise the Burr-Deacon Barn at Peachfield! The Burr-Deacon Barn was built in 1875 and was donated by Miss Mildred Deacon to the NSCDA-NJ in 2014. The NSCDA-NJ needs your help to “raise” the Burr-Deacon Barn so Peachfield can preserve the historic barn frame, use its space to educate the public with historic programming, and sustain the organization as a revenue source.
